Project 150 Back To School Drive

AUGUST 9, 9 A.M. TO 1 P.M.
VISTAS PARK
11312 PARKSIDE WAY

School begins again this month and Project 150 continues its mission to provide free support and services to homeless, displaced, and disadvantaged high school students in Nevada. To help our local teens, Summerlin residents are encouraged to participate in the "Drive-thru Donations for Project 150" event taking place August 9 from 9 a.m. to 1 p.m. in the Vistas Community Center parking lot.

Project 150 works tirelessly to support disadvantaged high school students and their families. You can help their effort by donating non-perishable foods (canned, boxed or pre-packaged items) In addition, there is an urgent need for hygiene items and school supplies.

All donations may be bagged and placed in the trunk of your car and will be removed by a Summerlin Council employee. Please note: We are unable to receive any used merchandise or items not included on the approved donation list.

Email questions to recreation@summerlincouncil.com. Thanks for your support of our community and Project 150. *A list of requested donations is available on Page 3.*

COMMUNITY NEWS

By Scott Wingfield

On The Horizon: 2026 Operating Budgets

The Summerlin Council and each of your respective master associations have once again started their annual process of formulating operating budget numbers for the forthcoming year. Over the next 30 to 60 days, your community managers, board members, and finance committees will be studying among other things: how comparable 2025 revenue and expenses projections are holding up; the “new normal economy” impacts to all operations and related pricing, including labor, materials and supply and demand pricing realties; turf reduction mandates and proactive water conservation initiatives; engagement of certain park and community center programs

and activities; expanding reserve costs associated with the natural aging and proper care of our community’s maturing amenities; expansion and operation of new community-wide Summerlin Council parks and amenities; the continued growth of Downtown Summerlin, and our South and West residential Villages; and, as always, where more potential operating efficiencies can be realized to help hold assessment rates as low, yet effective as possible.

Fortunately, each of your master associations and The Summerlin Council remain operationally and financially sound. Your long-established Summerlin membership/assessment base is well-structured and by design

A unit owner has the right to:

- Have a copy of the minutes or a summary of the minutes distributed to him upon request and upon payment to the association of the cost of making the distribution as outlined in NRS 116.
- Speak to the Board of Directors in accordance with NRS 116, unless the Board is meeting in executive session.

Due to early publishing deadlines, Board meeting summaries included in Summerlines may reflect meetings held six to eight weeks prior.

strives wherever possible to pace new development billable density with the growth-accompanying financial demands of owning, operating, and maintaining new community street-scapes and Summerlin Council owned parks/amenities.

It's important to remember that your master association assessment includes a monthly allocation to The Summerlin Council. Early indications suggest that there will be an increase to all master association annual assessment rates in 2026. You will be receiving master association projected budgets and assessment levels for 2026 in the coming weeks ahead. Hope you are staying safe and healthy and finding ways to enjoy your summer. ☀️

Back to School Road Safety Tips

Summer is ending and our children will be returning to school during the month of August. Now is an important time to remember that our roads will be busier and shared by motorists, cyclists, and pedestrians. We all need to do our part to keep each other safe! Here are some basic safety tips to use:

Pedestrians

- Always walk on a sidewalk, never in the street.
- Use marked crosswalks to safely get from one side of the road to the other.
- Always look both ways for oncoming hazards before crossing.
- During darkness hours wear light clothing or reflective items to be visible to motorist and others sharing the road.

Cyclists

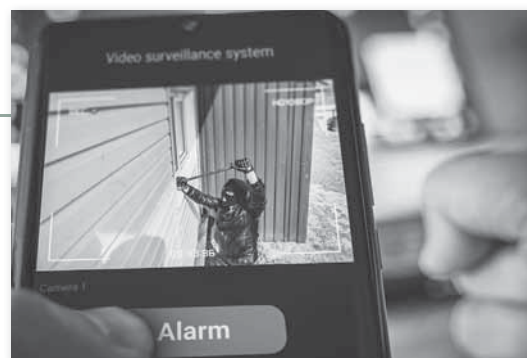

- Obey traffic laws – follow traffic signs and signals.
- Ride in the same direction as traffic.
- Stay in the bike lane, if available.

- Never use electronic devices while riding.
- Have a headlight and wear reflective equipment if riding during dark hours.

Motorists

- SLOW down – The faster you travel, the less reaction time you have.
- Do not pass stopped school buses with their red flashing lights and STOP arm extended.
- Use caution when passing a school bus, watching for children who may be in the vicinity.
- Do not block bike lanes or travel lanes near school pick up zones.

Each year we see many avoidable accidents and tragedies during the first part of the school year. Share these tips so we may all enjoy a safe return to school this year! ☀

NEWS FROM THE WEST

Summerlin West Community Association

ARE YOU PLANNING TO REPAINT YOUR HOME?

How do I submit to repaint the exterior of my home? In answering this common question, please note that there is no pre-approved paint scheme for any residential properties in Summerlin West. All requests to alter the exterior color scheme of individual properties are reviewed on a case-by-case basis with consideration being given to the architectural style of the residence, the color of existing roof tile and/or stone veneer on the residence, the number of contrasting colors originally on the home, the color palette of the surrounding neighborhood, etc. The use of original paint colors in the original locations is considered routine maintenance and does not require approval.

The specific procedures and information for submitting your painting request are described in Article V., Section B. of the Association's Design Guidelines and Standards. When submitting you must provide the following:

- A completed Improvement Request form. (a copy of this form is located on Summerlink.com/Homeowners

Summerlin West/Design Review/Improvement Request Form)

- A blocking plan/elevation drawing detailing which colors will be used on the exterior surfaces of the home.
- An accurate set of paint chips showing the name and manufacturer's code for each of the proposed colors.
- Confirm the paint colors selected is not the same color scheme as your neighbors to the immediate right, left and directly across the street from your residence.
- In an effort to ensure the review process is effectively administered and that individual property owners are treated equitably, we review submittals only in the order they are received. ☀️

Summerlines welcomes your news and information about Summerlin West. All submittals should be sent to: News from the West, 2115 Festival Plaza Drive Suite 220, Las Vegas, NV 89135. All material submitted must be informative and of interest to the residents at large. It must be for non-commercial publication (allow six weeks lead time), typewritten, double spaced and in a type size no smaller than twelve (12) point. If the information regards an issue outside the jurisdiction of the Association, it must be determined by the Board of Directors to affect the safety and/or welfare of the entire Association. The writer will be held accountable for the content of the information and the Board of Directors reserves the right to edit or decline to publish any submission.

The Ultimate Summerlin® Day Tour

Looking for a fun day exploring all that Summerlin® offers? Whether you're looking for a new home, or just seeking a day of fun, delicious eats, design inspiration, hiking, views, golf, spa and pro baseball, here's the perfect itinerary. Check it out!

Start the day with an early morning hike at **Red Rock Canyon National Conservation Area** that frames the western edge of the community, providing residents with immediate access to world-class hiking, rock climbing and an ideal cycling destination – not to mention Red Rock's stunning views and spectacular sunsets.

Head on over to **Grand Park village**, one of the newest villages located west of the 215 Beltway and south of Lake Mead Blvd., surrounded by the beauty of the La Madre Peaks Mountain range. With neighborhoods arrayed around an expansive and under-development 90-acre park by the same name – Grand Park – the village is teeming with new home options in five neighborhoods offering 34 unique floorplans, including single-story homes and townhomes priced from the \$400,000s to more than \$1.5 million: Caldwell Park by KB Home; SHAWOOD at Arcadia; Ashland by Taylor Morrison; Alton by KB Home; and Edgewood by Tri Pointe Homes.

Next up is **Explorer Park** in the district of Redpoint Square that features a celestial canopy inspired by nighttime constellations. Here, you can visit two new neighborhoods offering seven unique town home-floorplans featuring a low maintenance lifestyle and priced from the high \$400,000s to the \$600,000s: Cordillera by Toll Brothers and Vertex by Tri Pointe Homes.

After a full morning, stop for lunch at **Downtown Summerlin®**, that features more than 30 unique eateries and

restaurants, along with 100-plus stores and boutiques, entertainment options and professional sports.

Once fully fueled, head northwest to the scenic village of **Reverence** and the adjacent districts of **Kestrel** and **Kestrel Commons**, where you can tour seven new neighborhoods offering 30 floorplans in a range of single-family and townhomes options, priced from the mid-\$400,000s to more than \$900,000: Monument by Pulte Homes; Mockingbird by Lennar; Nighthawk by KB Home; Vireo by Woodside Homes; Raven Crest by Toll Brothers; Quail Cove by KB Homes; and Lark Hill by Taylor Morrison. Here, exploring Summerlin's new multi-modal and urban trails is also an option. These new trails better accommodate both pedestrians and cyclists to make getting around safer and more comfortable.

Take an afternoon break to recharge with golf or spa options, including a daily-fee, public golf option at **TPC Las Vegas**, one of two Tournament Players Club courses in Summerlin – and the only two in Nevada. Or visit the luxurious spa at **Red Rock Casino, Resort & Spa**.

Before ending the day at the award-winning **Las Vegas Ballpark®**, home of the Las Vegas Aviators of the Pacific Coast League and affiliate of the Athletics for a night of baseball fun and dozens of delicious food and beverage options for all palates, stop by **The Peaks village**. Here, the neighborhood of Ascension, built by Pulte Homes and Toll Brothers, offers 20 luxurious single-family home floorplans in a mix of single- and two-story elevations, priced from approximately \$1.2 to more than \$2 million. ☀️

WATER CONSERVATION

Las Vegas Valley Water District

This Fall, Make Your Landscape Water Smart

As the temperature rises this summer, so has the community's water use—but there are steps you can take to help conserve Southern Nevada's most vital resource, especially as we look forward to the cooler days and nights of fall.

Consider enrolling in the Southern Nevada Water Authority's (SNWA) Water Smart Landscapes Rebate Program (WSL), which provides qualifying single-family homeowners with cash rebate incentives when they upgrade their grass to desert-adapted landscaping.

Planning ahead now can help you get a leg up on your landscape upgrade when the seasons change this fall. Begin by visiting snwa.com and taking advantage of the many resources that can help you get your project underway, including a list of plants and trees suited to our desert environment, sample landscape designs for a variety of lifestyles, and a list of Water Smart Contractors who can make your landscape dreams a reality.

If you're a do-it-yourselfer, you can learn the basics of designing and installing a drip irrigation system by attending free classes online or in person at the Springs Preserve. Find class schedules and more information at springspreserve.org.

As a reminder, the community's mandatory summer watering restrictions are in effect through August 31. During the summer months, sprinkler irrigation is prohibited between 11 a.m. and 7 p.m. Watering during these prohibited hours or allowing water to spray or flow off your property could result in a costly water-waste fine—and nobody wants that.

For more information about the WSL program and to enroll, visit snwa.com.
