COMMUNITY NEWS

Safety Starts at Home

As we know, our everyday safety starts with each of us looking out for each other. While preparing for the holidays and the many activities and celebrations that come with them, please remember that helping to keep things safe in Summerlin is an on-going shared responsibility between each of us and the Las Vegas Metro Police Department (Metro). The following information is some of Metro's valuable advice regarding home and community safety.

Keep Garage Doors Closed – Many property thefts that take place are attributed to people leaving their garage doors open while unattended. Metro notes report of cars, bikes, golf clubs, and other valuables disappearing while residents go back inside their home or in the back yard while leaving garage doors open.

Always Lock Your Car – Whether you park your car in your garage or on the driveway or street, (garage please, thank you!) it is important that you keep your car locked and valuables out of sight. In addition to the potential loss of your vehicle, access to your home or garage by theft and use of your garage door opener is a pattern commonly seen by Metro.

Reporting Suspicious Behavior – Metro often shares that if you notice something that strikes you as somewhat unusual, it probably is. If you witness something in your neighborhood out of the ordinary, such as vehicles wandering through with no apparent destination or new faces going house to house, please make a note of it for safety reasons. Please report your concerns to Metro and be prepared to provide them with information such as

A unit owner has the right to:

- Have a copy of the minutes or a summary of the minutes distributed to him upon request and upon payment to the association of the cost of making the distribution as outlined in NRS 116.
- Speak to the Board of Directors in accordance with NRS 116, unless the Board is meeting in executive session.

Please Note:

Due to early publishing deadlines, Board meeting summaries included in Summerlines may reflect meetings held six to eight weeks prior.

vehicle type and color or a description of the person or persons that you were concerned about. Remember, if you see some-thing, say something.

Always Drive Carefully and Slow Down – Each day brings more activity, more neighbors and businesses, and more traffic. Ultimately it is up to all of us to practice sound driving skills to keep our streets safe. Please resist parking on the streets, be aware of the many children that are not always thinking, slow down, and be careful at the many roundabouts, intersections and crosswalks.

Everyone Is Your Neighbor – Stay observant and respect each other; everyone is entitled to quiet enjoyment of their property. One’s own actions should not be impacting another fellow neighbor in a negative way. This reasoning also extends to our parks and common areas. Parents, please remind your children to treat our park amenities with respect. The continued pointless damage and unsafe conditions caused by vandalized pathway lighting, graffiti, cars spinning donuts in parking lots and playfields, and dirt/electric bikes zipping down the streets and through parks could be mitigated with your positive intervention. It is important to all of us in Summerlin that our open spaces be used in a respectful manner so that our parks remain clean, healthy and safe for all to enjoy.

Thank you for looking out for each other. I hope you and your family have a safe and happy holiday season! 🍁

Holiday Season Safety

Fall is upon us and the Holiday Season is approaching. It is time to focus on safeguarding our homes and habits during this time. The season brings a lot of activity to us all: shopping, socializing, attending events, and for many – traveling. These are all factors that make it a lucrative time for criminals to try and target us. We are often distracted with the hustle and bustle around us, leaving us vulnerable if we don't take preventative measures. Here are some simple tips and reminders to help us stay safe:

- Ensure your home safety features are working correctly:
 - Set alarm systems whenever you leave your home
 - Test surveillance cameras
 - Test smoke detectors too
- When out and about be aware of your surroundings:
 - Do not allow yourself to be distracted by electronic devices.
 - Park in well-lit locations near entrances to establishments you are visiting

- If shopping: hide any valuables out of sight in your vehicle if you are not going directly home.
- Here are some tips, if socializing away from your home or traveling for the holidays:
 - Tell a trusted neighbor to keep an eye on your home and report suspicious activity to local authorities
 - Place mail, newspaper, and subscriptions on hold
 - Set lights, a radio, or even a television on timers so you give the “look of occupancy” and plant a seed of doubt to deter potential burglars
 - Do NOT post your plans or pictures on social media sites before or during your trip. Post them when you return safely

Wishing you all a healthy, happy, and SAFE holiday season in 2025! 🍁

NEWS FROM THE WEST

Summerlin West Community Association

HELPFUL INFORMATION REGARDING COMMON HOMEOWNER TOPICS

Summerlin West homeowners and residents have a multitude of relationships when it comes to reporting problems we encounter in our daily living. The following is some general information that may help when you are trying to decide who to contact.

All your homes are a part of the Summerlin West Community Association (the association). You are subject to all the governing documents of the master association, including CC&Rs, Bylaws and Design Criteria. Some typical issues that should be referred to the master association may include:

- Problems in the common area of the association such as broken sprinkler heads, trash, damaged plant materials, graffiti, vandalism.
- Entry monument or lighting damage at entries that are not gated.
- Property not being maintained to the association Community-Wide Standards.
- Trash cans and/or sports equipment stored in the front yard.

- Improvement projects that have not been submitted to Design Review.
- An RV, boat, or trailer parked on a driveway or on the street.
- Inoperable vehicles on the driveway or yard.

Regarding complaints, a complaint form is available online at summerlink.com to submit your complaint. In addition, you can request a copy of the complaint form by calling 702.791.4600 and a form will be sent to you. As a reminder, complaints must be submitted to the association in writing on an official complaint form.

If you live behind a gate in a private sub-association, the above issues should also be referred to your sub-association as you have an additional layer of governing documents and perhaps additional rules that are more restrictive than the master association. If you do not know who your sub-association management company is, you are able to obtain the information by calling 702-791-4600 and identifying your sub-association. Management will do their best to provide you with your sub-association's contact information.

Some issues that arise for the association and the City of Las Vegas may include:

- Barking dogs
- Weeds, debris, and grass higher than 8" inches
- Excessive number of vehicles at a property
- Obstructions on the sidewalks/streets

In addition to completing the association complaint form, you may want to contact Animal Control at 702.229.6348 for problems relating to animals, and Neighborhood Response Code Enforcement at 702.229.6615 for the other issues. In addition, you can email code enforcement by going to www.lasvegasnevada.gov.

Also, some of your concerns may be the primary jurisdiction of the City of Las Vegas and you'd want to follow the directions below for reporting. These may include:

- Inoperable or improperly parked vehicles in the public street.
- Trash cans, skateboard ramps, basketball hoops, construction materials or any item that is obstructing a part of a street or public sidewalk.
- Kids on motorized/electric devices and scooters.
- Conducting more than two garage sales in a calendar year.
- Loud party or noise at a nearby home or in a public area (*Peace disturbance is a police matter and you should call 311 for response*).

Hopefully the above information will be helpful in sending you in the direction that will provide you with the most effective help for some of the most common problems reported. 🍁

Downtown Summerlin® Kicks Off 2025 Holiday Season

ANNUAL HOLIDAY PARADE, ROCK RINK, SANTA, NEW LIGHT LANE INSTALLATION AND MORE

The 2025 holiday season kicks off at Downtown Summerlin® in November with the return of popular holiday activations, headlined by the arrival of Santa Claus, the return of the beloved Holiday Parade and the opening of the Rock Rink outdoor skating rink.

Downtown Summerlin's Holiday Parade, sponsored by InTouch Credit Union, is held every Friday and Saturday at 6 p.m. from November 21 to December 20. This free and magical event, complete with lively holiday music, snow, dancers, and Santa, runs along Park Centre Drive and boasts nearly 100 local youth performers.

The **Santa Chalet**, presented by Tri Pointe Homes and located in the Macy's Promenade, is open daily from November 14 through December 24. Photo packages are available for purchase with packages starting at \$39.99 on select days. New this year, family holiday photo packages are available to capture holiday memories without Santa for festive holiday cards, photo albums or social media. Dates and hours vary and reservations are required. Photos with pets return on Tuesdays and Thursdays from 4 to 8 p.m. throughout the season. Visits with Santa for children with sensory conditions are available on Saturday, December 6 from 10 a.m. to 12 p.m. or reservation at Summerlin.com.

At the Santa Chalet, kids can drop off letters to Santa November 14 to December 11 and for every letter received, Downtown Summerlin will donate \$1 to Goodie Two Shoes Foundation, a local nonprofit that provides disadvantaged children free shoes and socks and other essential items.

Rock Rink, presented by Lexus, opens for the season starting November 14 through January 19, 2026. Skate rentals start at \$18, and all ages are welcome. Hours vary, and appointments are encouraged, so check the website for details as walk-ups are limited pending capacity. New this year, Rock Rink is available for private buyout events. Las Vegas Ice Theater returns for the 2025 holiday season with special ice-skating performances, November 23, December 7 and December 21.

Downtown Summerlin's festive Jupiter Express Train offers rides throughout the destination for \$5 per person (adults and kids). Both Rock Rink and the holiday train open November 14.

The 2025 holiday season kicks off at Downtown Summerlin® in November with the return of popular holiday activations, headlined by the arrival of Santa Claus, the return of the beloved Holiday Parade and the opening of the Rock Rink outdoor skating rink.

Downtown Summerlin will partner with Jewish Nevada to host a one-night **Hanukkah** celebration on December 21 from 4 to 6 p.m. that includes the lighting of the Menorah, entertainment, kids' activities, and hot cocoa with lite bites. A Menorah will be on display in the Dining Arroyo December 12 through sundown December 22 to mark the holiday.

New this year, Downtown Summerlin will partner with Clark County on a six-week exhibit, **Light Lane Bike installation**, November 15 to January 1. Four futuristic bikes will be scattered throughout Downtown Summerlin, offering an immersive experience that includes the sounds of local musicians and the visual creativity of community artists.

Returning to Downtown Summerlin is **The Giving Machine** that opens November 12 through year-end. Organized by the Church of Jesus Christ of Latter-day Saints, The Giving Machine gives visitors an opportunity to make a holiday donation at a giant vending machine to one of several local nonprofits and international charitable initiatives.

Lights for Flights, a fun activation featuring seven giant lighted words spread throughout Downtown Summerlin: LOVE, JOY, HOPE, PEACE, SOAR, MIRACLE, and I LOVE YOU, returns for another year of seasonal sparkle. Creating the perfect holiday background for Instagram-worthy holiday moments, the signs generate awareness and funds for Miracle Flights, the nonprofit that provides free commercial flights to children who need assistance to reach life-changing medical care not available in their local communities.

Wine Flights Holiday Wine Walk will return to Downtown Summerlin on November 22 at 5 p.m. benefiting Miracle Flights. Featuring 14 different tasting stations offering red, white and sparkling options, Wine Flights tickets and details available at <https://miracleflights.org/events/wine-flights/>.

WATER CONSERVATION

Southern Nevada Water Authority

Winter Watering Schedule in Effect November 1 in Southern Nevada

It may not officially be winter yet, but as the calendar rolls over and cooler temperatures set in, it's time to change our landscape watering clocks to follow the community's mandatory winter watering schedule.

In effect from November 1 through February 28, the winter watering schedule limits sprinkler irrigation to one assigned day per week; sprinkler watering is prohibited on Sunday. Find your assigned watering day at snwa.com.

Saving water—and managing your monthly bill—is even easier during the winter when you run your drip irrigation system on a recommended schedule of once every seven to 14 days for 30 to 90 minutes. When it comes to drip irrigation, keep a simple five-word rule of thumb in mind: Drip It, Don't Drown It!

Here are more tips to help keep your landscape vibrant this winter while helping the community save water:

- Set your spray irrigation for grass to water during the mid-morning hours to avoid freezing.

- Water grass only on your one assigned watering day.
- Change the time on your irrigation clock to coincide with the end of Daylight-Saving Time on November 2.
- Following the seasonal watering restrictions year-round can help the average customer save up to \$300 annually on their water bills.

The amount of water we apply to our landscapes is critically important because it is used once and cannot be reclaimed. Conversely, the water we use indoors for cooking, bathing, and cleaning is reclaimed, highly treated, and returned to Lake Mead for reuse. This recycling process helps extend our community's water supply, making every drop count—especially outdoors.
