COMMUNITY NEWS

By Randy Ecklund

Wishing You A Dose Of Healthy Spring Fever

Springtime always seems to bring with it any number of outdoor projects. A quick drive in the community reveals new neighborhood construction underway, ever-present road work projects, streetscape landscape installations and renovations, and the start of more park renovations and new improvements. Perhaps inspired by all the activity, or a ticking one-year clock, many of our residents are also forging ahead with their own improvements. Seems like a good time to share some reminders and best practices.

Design Review Protocol – Regrettably, some residents are so eager to get started that they tend to forget one of our community's most basic requirements. When you closed on your home, you agreed that any improvement

that altered the exterior appearance of your property would have prior written approval from the association. This includes all front and rear yard improvements, including play equipment, shade structures, pools, patios, and landscape. On behalf of your volunteer gatekeepers (i.e. those who serve on your respective community Boards, Compliance Advisory Committees, and Design Review Committees), I highly encourage you to take the time to submit for proper approval before you start making changes to your property. The conversations about necessary adjustments to your plans are always easier to have before you have spent your hard-earned money on something that now requires costly modification.

A unit owner has the right to:

- Have a copy of the minutes or a summary of the minutes distributed to him upon request and upon payment to the association of the cost of making the distribution as outlined in NRS 116.
- Speak to the Board of Directors in accordance with NRS 116, unless the Board is meeting in executive session.

Being a Good Neighbor - While you didn't necessarily agree to engage socially, you did agree to take care of your property with routine maintenance and long-term maintenance care. As a homeowner, you understood that your yard would need some regular attention now and then and the time would eventually come when you would need to put another fresh coat of paint on your home.

You also recognized that streets with cars parked end-to-end throughout a neighborhood typically meant you were living in a high-density downtown area, not a nice quiet neighborhood with garages and driveways designed to keep streets uncluttered and open, thus promoting good visibility and safety for all.

And if you took on the responsibility of being a pet owner, you would always remain conscious of the unreasonable noise your pet was making and the messes you signed on to clean-up. Everyday courtesies that improve our neighborhoods and everyday lives.

And staying in the moment and always paying attention-thanks for looking out for each other and please drive safely. There are more cars and kids buzzing around than ever before and we all would like to get home safe and sound. GNMAWYA ♥

COMMUNITY CONNECTION

Southern Nevada Water Authority

Spring Watering Schedule

As the chill of winter gives way to the warmer days of spring, you may be tempted to pump up your irrigation watering. The Southern Nevada Water Authority (SNWA) reminds residents that mandatory spring watering restrictions are in effect through April 30.

The spring restrictions allows spray irrigation up to three assigned days per week. Drip irrigation can operate two to three times per week (landscape irrigation is prohibited on Sunday year-round). To find your assigned watering days, visit snwa.com.

You can save water and money on your monthly bills by slowly “ramping up” your irrigation schedule from one to three days as it gets warmer and as weather patterns permit.

Watering outside of your three assigned days or allowing water to spray or flow off your property could incur fines ranging from \$40 to \$80 for the first violation and up to \$1,280 for repeated violations. Along with following the

seasonal restrictions, periodically inspecting your landscape irrigation system for broken or misaligned sprinklers can help you avoid potentially costly water-waste fines.

Conserving water and reporting and preventing water-waste are critical as the water shortage declaration on the Colorado River limits the amount of water Southern Nevada can withdraw from Lake Mead—the source of 90 percent of our supply—by 7 billion gallons this year.

Another way you can help conserve the community’s most vital natural resource is by upgrading your thirsty grass with beautiful water-efficient plants, trees, and shrubs through the SNWA Water Smart Landscapes Rebate Program (WSL). WSL offers a cash incentive of up to \$3 for each square foot of turf converted to drip-irrigated landscaping. (Some restrictions apply.) Find out more and enroll today at snwa.com. ☀️

Summerlin Tennis Club is offering small group lessons. For the safety of our team, community, students, and their families, we will continue to keep groups small with a max student-coach ratio of 6:1. Students will stay within their group for both days/times of instruction, allowing for the development of their tennis skills and socialization with others of their same age group in a manageable environment.

Our goal is to provide a fun and engaging tennis program to stimulate, challenge and appeal to all ages and skill levels. Group sessions will be four weeks in duration with lessons twice a week for a total of eight lessons per session. Class duration is one hour for Pee Wee, Red, Orange, and Green Ball. Tiny Tots is 30 minutes. Cost is per child, per session.

COMMUNITY DEVELOPER UPDATE

The Howard Hughes Corporation®

Summerlin® To Celebrate Earth Month in April

For those who live in Summerlin® that is framed by the majestic Red Rock Canyon National Conservation Area, every day is Earth Day! But this month, the community hosts a number of events and activations to formally celebrate Earth Month, Earth Day, and overall wellness, including a month-long display of environmental messages and fun facts from partners, Southern Nevada Water Authority, Republic Services and the Regional Transportation Commission of Southern Nevada. The messages, on display at Downtown Summerlin®, the dynamic urban core of the community, celebrate conservation milestones, provide information, and share tips on saving water, recycling, and reducing carbon footprints.

Student Farmers Market - Friday, April 22. On Friday, April 22, Downtown Summerlin hosts a giant Student Farmers Market organized by Green Our Planet, a local nonprofit that help schools valley-wide to plant and operate teaching gardens. Considered the country's largest student market, the free event runs from 10 a.m. to 1 p.m. and features produce from gardens at 60 schools throughout the Clark County School District. More than 600 student farmers will be on hand to sell their produce to the public, with all proceeds going directly to participating school garden programs.

In Summerlin, Green Our Planet is actively involved in assisting several community schools with their gardens funded by The Howard Hughes Corporation. This includes special Pollinator Gardens at select schools by planting flowers that support bees, butterflies, and ladybugs, with emphasis on providing respite for migrating Monarch Butterflies.

Happy Earth Day LV Festival - Friday, April 22 and Saturday, April 23. Happy Earth Day LV Festival is a sustainable marketplace featuring fun activities and Earth friendly information. The event takes place on The Lawn and runs from 10 a.m. to 5 p.m., April 22 and 23, and includes a sustainable marketplace, Vegan food, a plant swap led by Carrie Lynn's Plant Shop on Saturday from 12 to 3 p.m., and more. Tickets are \$10 for two-day access and are available at the event or in advance at happyearthdaylv.com.

Summerlin Half Marathon and Tour de Summerlin - April 23. Returning to Summerlin after a two-year hiatus are two popular wellness events that celebrate the

A plant swap, led by Carrie Lynn's, a retail store at Downtown Summerlin, takes place on Saturday, April 23 from noon to 3 p.m. as part of the Happy Earth Day LV Festival. For information on all Earth Day events and activities at Downtown Summerlin that weekend, visit Summerlin.com.

community's signature active outdoor lifestyle: the Summerlin Half Marathon and Tour de Summerlin. Both events launch from The Lawn at Downtown Summerlin.

Tour de Summerlin, now celebrating its 19th year, offers three ride distances for cyclists of all abilities: an 80-mile ride kicks off at 7 a.m.; the 40-mile ride starts at 8:15 a.m.; and the 20-mile ride begins at 9:15 a.m. To register, visit tourdesummerlin.com. Registration fee is \$100 per person. The event benefits Breakaway Cycling, a nonprofit that promotes cycling and bike safety to children throughout Southern Nevada.

The Summerlin Half Marathon, now in its 11th year, kicks off at 7:15 a.m. The 13.1-mile course includes a scenic tour of several Summerlin villages on the community's nationally recognized trail system. All participants receive a tech shirt and finisher's medal. To register, visit justrun.com/races/summerlinhalfmarathon.

In honor of Arbor Day, The Howard Hughes Corporation donated \$10,000 to The Mayor's Fund for Las Vegas LIFE to support the city's mission to provide natural cooling by planting thousands of trees in areas around the valley where the urban heat island effect is greatest.
