Drive-Thru Donations For Project 150

AUGUST 12, 9 A.M. TO 1 P.M.
VISTAS COMMUNITY CENTER
PARKING LOT - 11312
PARKSIDE WAY

As school begins again this August, Project 150 continues its mission to provide free support and services to homeless, displaced, and disadvantaged high school students in Nevada. To help our local teens during this time, Summerlin residents are encouraged to participate in the "Drive-thru Donations for Project 150" event taking place August 12 in the Vistas Community Center parking lot.

Project 150 works tirelessly to support disadvantaged high school students and their families. You can help their effort by donating non-perishable foods (canned, boxed or pre-packaged items). In addition, there is an urgent need for hygiene items and school supplies. Items can be dropped off on August 12 from 9 a.m. to 1 p.m.

All donations may be bagged and placed in the trunk of your car and will be removed by a Summerlin Council employee. Please note: We are unable to receive any used merchandise or items not included on the approved donation list.

Email questions to recreation@summerlincouncil.com. Thanks for your support of our community and Project 150. ☀️

2024 Operating Budgets Coming In To Focus

The Summerlin Council and each of your respective master associations have once again started their annual process of formulating operating budget numbers for the forthcoming year. Over the next 30 to 60 days, your community managers, board members, and finance committees will be studying among other things; how comparable 2023 revenue and expense projections are holding up; the economic impacts to all operations and related pricing, including labor, materials and supply and demand pricing realities; progressing turf reduction mandates and proactive water conservation initiatives; a full return to

hyper-normal levels of uses and engagement of certain park and community center programs and activities; expanding reserve costs associated with the natural aging and proper care of our community's maturing amenities; the expansion and operation of new community-wide Summerlin Council park amenities; the continued new growth of Downtown Summerlin and our South and West residential Villages; and as always, where more potential operating efficiencies can be realized to help hold assessment rates as low, yet effective as possible.

Fortunately, each of your master associations and The Summerlin

A unit owner has the right to:

- Have a copy of the minutes or a summary of the minutes distributed to him upon request and upon payment to the association of the cost of making the distribution as outlined in NRS 116.
- Speak to the Board of Directors in accordance with NRS 116, unless the Board is meeting in executive session.

Council remain operationally and financially sound. Your long-established Summerlin membership/assessment base is well-structured and, by design, strives wherever possible to pace new development billable density with the growth-accompanying financial demands of owning, operating and maintaining new community streetscapes and Summerlin Council owned parks/amenities. Early indications suggest that there may be modest increases to all master association annual assessment rates in 2024. You will be receiving more detailed information on your respective master association projected budgets and assessment levels for 2024 over the next several weeks. I hope you are staying safe and healthy and finding ways to enjoy your summer. GNMAWYA ♥

TRASH CONTAINER STORAGE

As some of you are aware, Republic Services has mandatory use of their specialized containers in Summerlin West. As a default, the largest sized containers have been delivered to homes. Due to their larger size, many are tempted to store them in the side yards. But keep in mind that this practice is not permissible in Summerlin West.

Section 1.4 of the Supplemental Declaration of Covenants, Conditions, Restrictions and Reservation of Easements for Summerlin West Community Association states that refuse containers, be they cans, bags or bins, must not be placed at the curb more than 12 hours prior to the scheduled pick-up.

Following pick-up, cans and recycle bins should be **stored out of view** as soon as practicable, but in any case on the same day as the trash pick-up. Please do not leave your containers in front of your garage, on the front porch, or on the side of the house.

If the larger sized containers make it difficult for you to store them out of view, you may contact Republic Services for smaller sized options.

How should you dispose of bulk items? Televisions are common in most households, but do contain harmful materials and can't be disposed of in your regular trash. Please contact Republic Services to find the best and responsible ways to safely dispose of your television. However, when that old sofa or mattress has to go, you can dispose of it through the bulk waste collection. Simply contact Republic Services to schedule a pick up. Leaving these items curbside long after trash pick-up day is not acceptable. Republic Services customer service number is: 702-735-5151.

Thank you for keeping our neighborhoods clean and trash free. ☀

COMMUNITY DEVELOPER UPDATE

The Howard Hughes Corporation®

Summerlin® Thriving As A Place For Business

In Summerlin's southern area in the popular southwest submarket, construction is progressing rapidly on 147,000 square feet of Class-A office space that will deliver early next year. The project, comprised of two three-story buildings, connected with one main lobby on an 8.8-acre site, is designed to meet the continued growing demand for premium office space in an innovative and inspiring work environment with high visibility from I-215.

The building is surrounded by significant retail, dining and service amenities just minutes from Downtown Summerlin, Summerlin Parkway/US-95 and the I-15 freeway. Efficient floor plates allow flexibility for both small and large users. Abundant parking is available surrounding the buildings, which are located adjacent to the I-215 Beltway at Town Center Drive between Flamingo Road and Hualapai Way, just west of the Aristocrat Technologies campus.

In Downtown Summerlin®, 1700 Pavilion, a 266,000-square-foot, 10-story Class-A office building, opened in January. Located on three acres adjacent to Las Vegas Ballpark, 1700 Pavilion provides tenants an unparalleled view of the stadium, as well easy access to all the abundant restaurants, shops, and amenities of Downtown Summerlin within minutes walking distance from the front door.

The development of new premier Class-A office space in Summerlin reflects the city's growing appeal for business. In fact, a Crowdfund Capital Advisors (CCA) study recently ranked Las Vegas as the Best City in the Country for Start-ups, moving Las Vegas up nine spots to displace Austin in the 2023 survey.

"The (Las Vegas) community has training and mentorship programs for local entrepreneurs and has benefitted from revitalization efforts from large companies and hosts trade shows, funding programs, co-working spaces, and a low living cost," said Sherwood Neiss, Principal at CCA. "This is why Las Vegas has become one of the fastest growing tech hubs in the country."

Echoing that sentiment is Teddy Liaw, a tech entrepreneur who moved to Summerlin in 2020 after becoming disillusioned with life in California. Liaw is the organizer of Vegas Tech Summit whose inaugural event in September 2022 drew CEOs and tech founders from throughout the country – primarily California – to explore the city as a

Two Class-A office buildings with high visibility from I-215 are under active development by The Howard Hughes Corporation. Located between Town Center Drive and W. Flamingo Road in the southern region of the community, the buildings will meet growing demand for office space in the area.

great place to live and work. From a personal perspective, Liaw and his family chose to put down roots in Summerlin because of the community's top-ranked schools, its vibrant and nearby retail offerings and its abundant parks and trails.

"Las Vegas is transforming at an unprecedented rate and thriving for all the right reasons," said Liaw. "We are building a tech ecosystem and laying the foundation for companies to move here, entrepreneurs to thrive here, and workers to have opportunities and choices. And I've found that Summerlin is a paradise for families."

Drip It, Don't Drown It: How to Water Smart This Summer

Because residential landscapes feature a wide variety of plants and trees, each requiring different amounts of water. It's important to know how much water you should apply to your landscape to help it to survive and thrive and not drown.

Unlike grass, desert-adapted, water-efficient landscapes on drip irrigation systems require much less water, even during the brutal hot days of Southern Nevada's summer. In fact, most drip-irrigated landscapes can get by with two or three days of watering per week, as drip irrigation delivers water at a slower rate while still providing sufficient water to plants that need it.

To determine how long to set your drip irrigation, first identify if your drip emitters have a high- or a low-flow rate, based on gallons per hour (gph). If you observe a consistent flow, stream or sprinkler-like release of water, then your emitters are likely high-flow; a bead-like release of water drops indicates a low-flow emitter. Once you've

determined the flow rate of your emitters, follow these suggested watering times:

- High-flow emitter (up to 20 gph): 20-40 minutes or less
- Low-flow emitter (up to 4 gph): 30 minutes or less
- Low-flow emitter (up to 2 gph): 60 minutes or less
- Low-flow emitter (up to 1 gph): 90 minutes or less

As a reminder, the community's mandatory summer watering restrictions, in effect through Aug. 31, prohibit sprinkler watering between 11 a.m. and 7 p.m. Sunday watering is prohibited all year long. Water grass three times a day for about four minutes each cycle, spaced an hour apart, for a total of no more than 12 minutes per watering day. Also, set your drip irrigation to two to three days a week, adding days only as conditions warrant.

For more information on drip irrigation watering visit snwa.com.

We're open and happy to serve you!

SUMMERLIN'S BACK TO SCHOOL BLOOD DRIVE

AUGUST 17 | 10 A.M. - 4 P.M.

The Summerlin Council and the American Red Cross are partnering for a blood drive at the Vistas Community Center on Thursday, August 17. Your donation will help ensure our community has a steady blood supply for those in need.

Individuals in good health, 17 years of age or older and weighing at least 110 pounds can donate. With safety being the top priority, Red Cross employees will follow thorough protocols to ensure the well-being of all those present.

Donations are by appointment only between 10 a.m. and 4 p.m. and can be made online at summerlink.com/event/summerlin-council-blood-drive/.

For more information, call 702.341.5500 or email recreation@summerlinCouncil.com.

SUMMERLIN RECREATION

The Summerlin Council

Join In The Fun With Open Play Ping Pong

Make new friends and meet your neighbors with Open play ping pong at the Gardens Community Center. Ping pong is an all-inclusive sport; all ages and fitness levels can play! Playing ping pong is a great way to stimulate the brain and promote quick thinking while improving hand-eye coordination, agility, flexibility, and reaction time.

Tables are available weekly on Tuesdays and Thursdays from 2 to 4 p.m. at the Gardens Community Center. There is no cost to play, but advanced reservations are required and can be made online at summerlink.com/

recreation/ping-pong/. Space is available for up to 12 guests per day.

Whether you want to brush up on your skills or just play for fun, ping pong will help you to make memories around the table and get a good workout at the same time. ☀️

A valid Summerlin I.D. card is required to register online for ping pong. Resident ID Cards are issued Monday through Friday from 9 a.m. – 8 p.m. and Saturdays from 9 a.m. – 2 p.m. For more information, please call The Summerlin Council at 702-341-5500 or Email recreation@summerlincouncil.com.
