A unit owner has the right to:

- Have a copy of the minutes or a summary of the minutes distributed to him upon request and upon payment to the association of the cost of making the distribution as outlined in NRS 116.
- Speak to the Board of Directors in accordance with NRS 116, unless the Board is meeting in executive session.

operations, programming, special events and activities, maintenance and preservation of general park conditions, and any necessary park renovations or repairs.

This year's Council increase is primarily due to added personnel, growing labor and utility costs, targeted special turf projects and building up their reserves. The North, South, and West master associations would also be increasing their assessments primarily in response to increased labor and utility costs, additional funds for the Council's contribution, and ongoing costs for mandated turf reduction projects. In addition, the South's increase will also help to address building costs related to construction of their permanent administrative office to be located at the south end of Community Park.

Please note that more specific budget information is mailed to each of you by your respective associations as part of your annual budget ratification process.

My thanks to the many individuals that volunteered their time to work on next year's numbers. It is my sense that each of these budgets achieves the overall goal of preserving the operations and appearance of our Summerlin community in the most value-conscious way possible. GNMAWYA ❤️

WATER CONSERVATION

Southern Nevada Water Authority

Leak Detection Critical For Saving Water

In recent years, the Las Vegas Valley Water District has enhanced its efforts to ensure the efficient and uninterrupted flow of water through the community's complex underground grid of pipes and valves. While the nature of this work may appear complicated, the LVVWD deploys various high-tech tools to detect and repair leaks in a timely manner to avoid major shutdowns and loss of service.

One of these tools is an acoustic monitoring system, which "listens" to water as it flows through pipes and alerts technicians in the event of a leak. Typically, water flowing through pipes generates a low-frequency sound; however, the system can detect a high-frequency sound wave if water is leaking from a pipe. LVVWD technicians can then trace the leak's location and work quickly to repair it.

- To help residents detect, locate, and repair leaks, the Southern Nevada Water Authority (SNWA) offers a rebate for smart leak detectors of 50 percent off the purchase price or \$200, whichever is less.

- To receive the smart leak detector rebate coupon, applicants must participate in a 60-month research study related to consumer leak detection devices.
- The program allows for one coupon per address.
- Coupons are redeemable only for the purchase of a qualifying product.
- The date of purchase from customer receipt must be within 30 days of the coupon's printed date.

The smart leak detector rebate program is important to the community as the leak detectors can help provide alerts to residents of potential water waste. This can help prevent you from incurring an excessive usage charge as the thresholds for seasonal water use were reduced earlier this year. For more information, visit snwa.com. 🍊

COMMUNITY DEVELOPER UPDATE

The Howard Hughes Corporation®

Fall Events at Downtown Summerlin®

With the official start of the fall season just around the corner, Summerlin®, and its dynamic and vibrant urban core of Downtown Summerlin®, are preparing for three annual events that have become seasonal community traditions for residents of all ages.

The family-friendly Parade of Mischief, presented by Momentum Solar and produced by BestAgency, will fill the streets of Downtown Summerlin with mischievous mayhem every Friday and Saturday night in October at 6 p.m.: October 6, 7, 13, 14, 20, 21, 27, and 28. The event is free and open to the public and takes place along Park Centre Drive in the heart of the popular shopping, dining and entertainment destination. The parade includes spooktacular floats, dancing zombies, ghosts, witches, wizards, wild creatures, and a rockin' dead skeleton band. More than 30 local youth have been cast in various roles. Information on Parade of Mischief can be found at [Summerlin.com](https://www.summerlin.com).

Parade of Mischief returns to Downtown Summerlin every Friday and Saturday in October. The popular Halloween-themed parade is one of several fall-themed events that take place in the master planned community of Summerlin.

The Summerlin Festival of Arts returns to Downtown Summerlin October 13 to 15 from 9 a.m. to 4 p.m. daily, expanding from a two- to three-day event for the first time in its 27-year history. This hallmark, outdoor festival sponsored by The Las Vegas Review Journal features more than 100 fine artists and craftsmen from Southern Nevada and surrounding states, each carefully selected by a jury of local art experts. Mediums include oil, watercolor, pottery, sculpture, photography, glass and jewelry – all in a mix of contemporary and classic designs- to offer something for every taste. The Festival features a variety of children's activities, exhibits by local schools, and cultural presentations from the Southern Paiute, Nuwu Art and friends. New this year is a special activation featuring artists from downtown Las Vegas' popular First Friday monthly arts event. Information can be found at [Summerlin.com](https://www.summerlin.com).

And finally, the eyes of the golf world once again return to Summerlin with the 2023 Shriners Children's Open at TPC Summerlin, October 9 - 15. The event, now in its 40th year in Las Vegas and 31st year in Summerlin, is expected to draw a field of 132 of the world's top golf professionals to compete for an \$8.4 million purse, which includes a championship prize of more than \$1.5 million. The winner will take home the Howard Hughes Cup, the championship trophy sponsored by the developer of Summerlin, whose namesake, Howard Hughes, Jr., was an avid golfer with a legacy that also includes his success as a businessman, aviator and visionary in Las Vegas. Past champions include such notables as Greg Norman, Davis Love III, Tiger Woods, Jim Furyk, Webb Simpson, Bryson De Chambeau, Patrick Cantlay, and Kevin Na, to name a few. Tickets are now on sale at Shriners Children's Open - PGA Tour Golf Tournament - Las Vegas (shrinerschildrensopen.com). Guests can choose between four ticket options, starting at just \$35 per day. 🍎
