COMMUNITY NEWS

By Randy Ecklund

32 Years And Still Growing

Sometime in the next 60 days our 38,000th family will move into their new home here in Summerlin. It is an impressive and amazing milestone and heartfelt testament to the unique quality of life all of us have built together and get to share with each other.

Those of you that have been here since the “early days” have truly witnessed quite a change. In fact, many of you living here didn’t just witness the change, you helped make it happen. Congratulations on your hard work, commitment, and profound success. Summerlin is truly a finer place as a result of your efforts. While we are all visually reminded each day that nice homes, schools, houses of worship,

parks, libraries, retail centers, business centers, landscape, and recreational amenities provide an essential physical plant, it is important to remember that it is you, the residents, that provide the community “heart.”

It is also exciting to think that each day several more families continue to join in our community partnership. Whether they move here for the way our community “looks” or “lives”, each new resident will contribute in some way to our overall success. Whether one simply shares in the payment of community common assessments or chooses to participate in all that our considerable community has to offer, each member clearly helps make a difference.

And where would we be without those of you that have also given so much of your time and expertise? There is not enough space in this newsletter to properly thank all of you that have volunteered countless hours to your respective projects, programs and activities that make Summerlin the special place that it is. I will take comfort in the fact that you know who you are and that on any given day you can look out your window and see a community that genuinely reflects the sum of all your efforts.

WATER CONSERVATION

Southern Nevada Water Authority

'Tis The Season To Cool Off Your Landscape Irrigation

It's that most wonderful time of the year—for saving water! As winter begins to settle in, change your watering clock to follow the community's mandatory winter watering schedule, in effect November 1 through February 29.

During the winter, sprinkler irrigation is limited to one assigned day per week and Sunday watering is prohibited. Our chilly days and nights give us the best opportunity to conserve water—and it's the law! Following the seasonal water schedule will help you manage your water bill and avoid costly water-waste fees. Don't waste water!

By following these simple tips, you can avoid over-watering your landscape—and maintain the health and vitality of your plants and trees in the cold months ahead:

- Water grass for a total of 12 minutes on your watering day in three cycles of four minutes each, set one hour apart, to avoid water waste and runoff.
- Water during the mid-morning hours to avoid freezing and prevent ice from forming on lawns and sidewalks.

- Run drip irrigation once every seven to 14 days, as water-efficient trees and plants need much less water than grass.
- Change the time on your irrigation clock to coincide with the end of Daylight-Saving Time on Sunday, November 5.
- You could save up to \$300 annually on your water bills by following the seasonal watering restrictions year-round.

Although a wet winter combined with lower water demands increased Lake Mead water levels this year, it's important to know that one good year of favorable hydrology will not reverse the decades-long drought along the Colorado River—Lake Mead levels are still down more than 140 feet. Saving water is crucial for our community!

Downtown Summerlin® Kicks Off 2023 Holiday Season With Annual Holiday Parade, Rock Rink, Santa And More

Downtown Summerlin® is once again your holiday headquarters! The 2023 season kicks off in November with the return of popular holiday activations, headlined by the arrival of Santa Claus, the return of the beloved Holiday Parade and the opening of the Rock Rink outdoor skating rink on Friday, November 17.

Running every Friday and Saturday evening at 6 p.m. from November 17 to December 16, Downtown Summerlin's holiday parade is a free and magical event, complete with lively holiday music, snow, dancers, and Santa. It runs along Park Centre Drive.

"Downtown Summerlin will be filled with festive décor and cheer all season long, and we're bringing back the admired traditions Summerlin families have grown to love," said Halee Harczynski, senior marketing director, Downtown Summerlin. "There are so many holiday happenings at Downtown Summerlin, there is no need to go anywhere else this season!"

The Santa Chalet, presented by Tri Pointe Homes and located in the Macy's Promenade, is open daily through December 24. Photo packages are priced at \$42.99. Santa offers photos with pets on Tuesdays from November 21 through December 19 between 7 and 9 p.m., and on Saturday, December 9 from 10 a.m. to noon. Visits with Santa for children with sensory conditions are available via reservation at Summerlin.com. At the Santa Chalet, kids can drop off letters to Santa and for every letter received, Downtown Summerlin will donate \$1 to Goodie Two Shoes Foundation that provides disadvantaged children free shoes and socks and other essential items.

At Rock Rink, presented by Live Nation, skate rentals start at \$16, and all ages are welcome. Hours vary, and appointments are encouraged so check the website for details. Downtown Summerlin's festive holiday train offers rides throughout the destination for \$5 per person (adults and kids). Both Rock Rink and the holiday train open November 10.

Downtown Summerlin will partner with Jewish Nevada to host a one-night Hanukkah celebration on December 13 that includes the lighting of the Menorah, family skate

Downtown Summerlin is your holiday headquarters this year with the annual holiday parade that opens on Friday, November 17. Check Summerlin.com for all the details that will make your holiday extra special!

night, entertainment, kids' activities, and hot cocoa with lite bites.

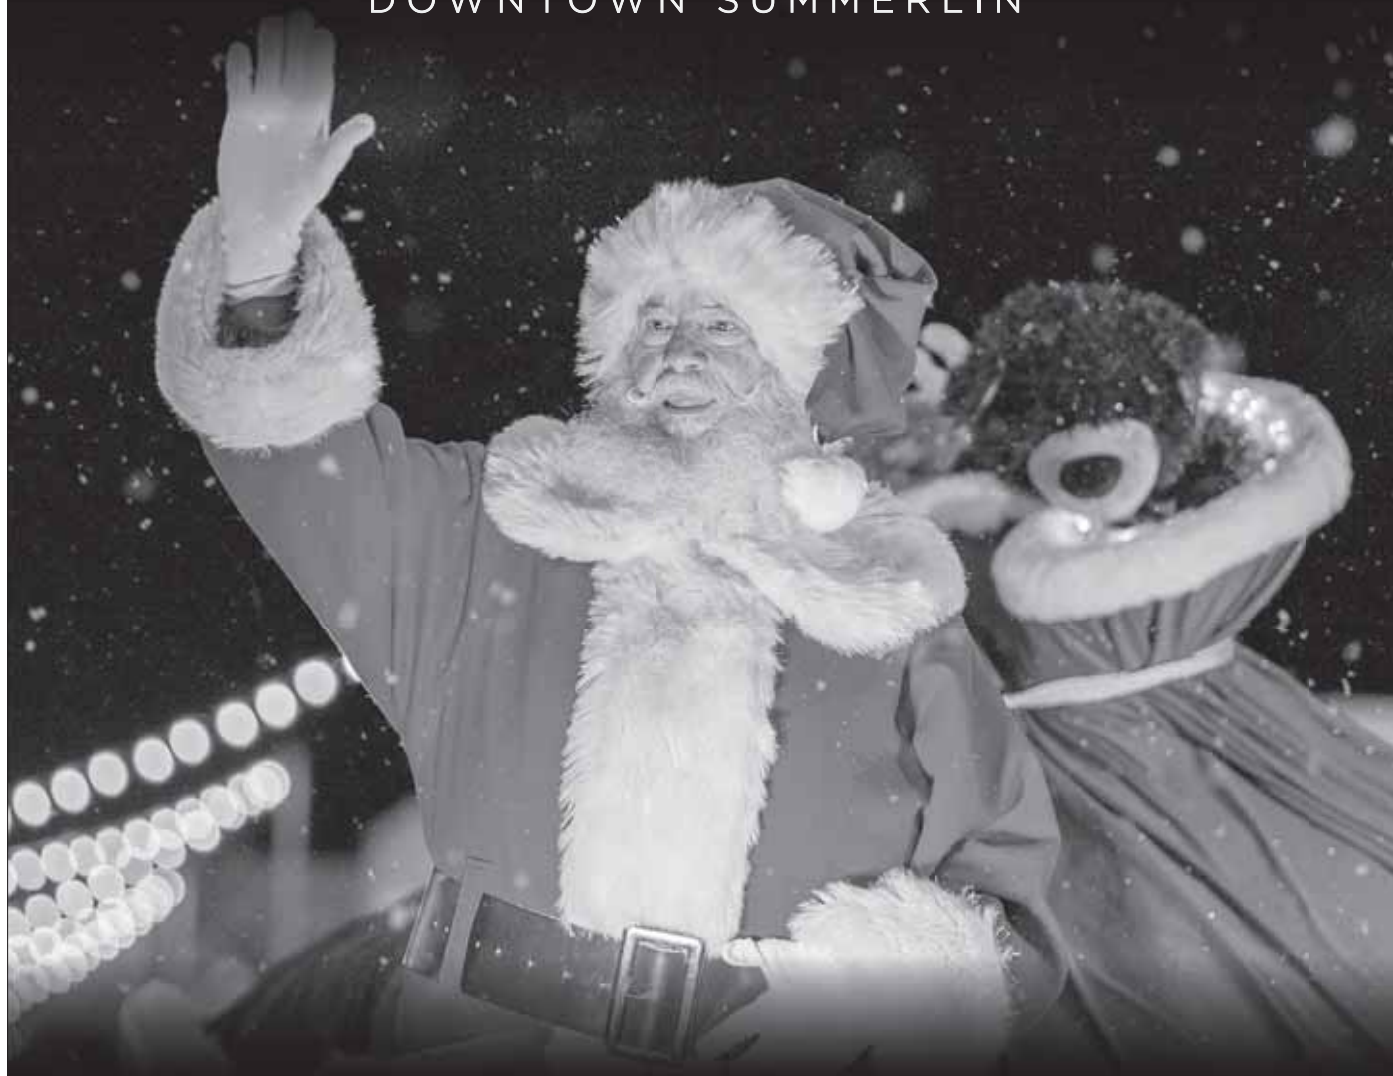

Returning to Downtown Summerlin is The Giving Machine that will be open from mid-November to year-end. Organized by the Church of Jesus Christ of Latter-day Saints, The Giving Machine gives visitors an opportunity to make a holiday donation at a giant vending machine to one of several local nonprofits and international charitable initiatives. This year's local beneficiary organizations include The Just One Project, Opportunity Village, Communities In Schools Southern Nevada, Baby's Bounty, and Jewish Family Service Agency.

Lights for Flights – a fun activation featuring seven giant lighted words spread throughout Downtown Summerlin: LOVE, JOY, HOPE, PEACE, SOAR, MIRACLE, and I LOVE YOU – returns for another year of seasonal sparkle. Creating the perfect holiday background for all your Instagram-worthy holiday moments, the signs are sponsored to generate awareness and funds for Miracle Flights, the non-profit that provides free commercial flights to children who need assistance to reach life-changing medical care not available in their local communities.

And finally, at Las Vegas Ballpark, visit Enchant, a whimsical and heartfelt Christmas light maze and village that returns for the season on November 24 through December 31. Visit [EnchantChristmas.com](https://www.EnchantChristmas.com) for details. For more on Downtown Summerlin's holiday events, visit [summerlin.com](https://www.summerlin.com). 🍁
