# **Advertising Your Business With The Summerlin Council**

Because spreading the word about your business or service has become more crucial than ever, advertising with The Summerlin Council can help serve as an effective communication tool for your company. As a service to its residents, The Summerlin Council publishes the monthly newsletter *Summerlines* (circulation 35,000+). It serves as an excellent vehicle to promote your organization and reach a highly targeted audience.

With more than 35,000 households in its North, South and West Community Associations, Summerlin has established itself as the premier community in Southern Nevada. Summerlin is home to more than 100,000 residents who boast an average annual income in excess of \$135,000. Nearly 75-percent of adult residents have college degrees; 37-percent have attended graduate school. The average head of household age range is 35 - 44 years, and the majority of residents (33 percent) have children living at home. There isn't another master-planned community in Southern Nevada with stronger demographics than Summerlin, delivering an ideal, captive audience to promote your business.
