## COMMUNITY NEWS

*By Randy Ecklund*

### Please Keep Doing the Neighborly Thing

As we go about our busy everyday lives, it occasionally helps to revisit some of the promises we made to each other when we moved into Summerlin. As residents, we agree to share costs for well-kept common area amenities, while also adhering to some common-sense neighborhood rules. I am sharing this yearly best practices reminder for those nearly 1,200 new homes that joined us this past year, for a handful of you that may have forgotten some of these items, and because historically at least 5 to 10 percent of our Summerlin resident population renews each year.

**Trash containers/recycling containers** should be placed curbside no more than 12 hours before a

scheduled pick up and should be removed promptly. When not at the curb, trash containers/recycling containers are required to be stored out of view.

**On street parking** is very sensitive issue in the community. Every effort should be made to organize your garage to accommodate as many vehicles as it was originally designed for. Excess vehicles should be parked in the driveway. Parking in the street is highly discouraged. Your sub-associations may have more strict rules and regulations. For your neighbor's sake, please make a habit of using your garages and driveways for your vehicles. The safety and appearance of your neighborhood will be much improved.

### **Please Note:**

Due to early publishing deadlines, Board meeting summaries included in Summerlines may reflect meetings held six to eight weeks prior.

### **Summerlin West Community Association**

**The Vistas Community Center  
Tuesday, February 13 at 5:30 p.m.**

The agenda will be available at The Willows, Gardens, Trails and Vistas Community Centers, or the Summerlin Community Management Office, 2115 Festival Plaza Drive, Suite 220 and at [summerlink.com](http://summerlink.com). Meetings subject to cancellation. Call (702) 791-4600 to confirm.

### **The Summerlin Council**

The Summerlin Council does not meet in February. The next meeting is March 28 at 10:30 a.m. at the Willows Community Center. The agenda will be available at The Willows, Gardens, Trails and Vistas Community Centers, or the Summerlin Community Management Office, 2115 Festival Plaza Drive, Suite 220 and at [summerlink.com](http://summerlink.com). Meetings subject to cancellation. Call 702-341-5500 to confirm.

### **A unit owner has the right to:**

- Have a copy of the minutes or a summary of the minutes distributed to him upon request and upon payment to the association of the cost of making the distribution as outlined in NRS 116.
- Speak to the Board of Directors in accordance with NRS 116, unless the Board is meeting in executive session.

**Working on your vehicle(s)** must be confined to the garage with doors closed and garage doors are to be kept closed except for reasonable ingress/egress.

**Pet owners have a strong responsibility to the community.** One of the most frustrating issues residents deal with is irresponsible owners walking their pets unleashed. Please remember that dogs and cats must be leashed when not contained in the house or yard. In addition, pets should be kept quiet within reason both day and night and owners must always clean up after their pets.

**Boats, campers, trailers and other recreational vehicles** should not be parked on the driveway or street for more than 24 hours.

**Always give timely attention to the exterior condition of your home.** Our dry, hot climate can be hard on exterior paint and other materials and surfaces. Please make a habit of

walking the exterior of your home a few times a year to identify and repair any items needing attention.

**Remember to submit all exterior changes/improvements** to your respective Design Review Committees prior to installation. All additions such as landscape, sheds, pools, patios, patio covers, gazebos, rolling shutters, solar screens, string/bistro lighting etc. require approval by the Association. This review procedure allows the Association to provide fellow members comfort that all improvements will meet or exceed the community's uniform standards. Please note that the City of Las Vegas, Clark County and your sub-association may have additional requirements for you to satisfy.

By adhering to these common-sense day-to-day practices in the community, Summerlin will continue to reflect the pride we all take in its appearance. As always, thank you for your efforts. GNMAWYA ♥

### The Reviews Are In!

"This is a new vet in Summerlin and we are so glad we found them. Our English Bulldog was lame on his front left leg and was crying in pain. I called and they immediately fit us in. From the moment we walked in the door they were sweet with our baby boy. Very kind and took a lot of time discussing his diagnosis, what to expect, prescription directions and side effects. We are still waiting for the full prognosis, needed radiology review of his X-rays. The sweet nurses and staff brought him out on a gurney, the little guy is 80 lbs of dead weight, and helped us get him in the car. We could not have asked for better service. If you're tired of the same old crowded, bad service and lack of caring by other vets in the Valley. I recommend a switch to Vegas Valley Pet Hospital, best service to date for our baby boy! Thank you Dr. Rokos and team." - Tiffany B.

Summerlin North Community Association

## JUST A FEW REMINDERS

Overwhelmingly the most common complaints that we receive relate to the following issues:

- A little warmer temperature coupled with all the rain we have had means the weeds will be sprouting like crazy. You might want to consider treating your yard with a pre-emergent, or at the least be ready with the gardening tools.
- It's true that dogs are a man's best friend; that is unless you don't pick up after them. Please be a courteous dog owner and be sure to pick up after your pet when walking them in the common areas.
- Trash cans should not be placed on the curb for pick up earlier than the evening prior to trash day and should be stored out of view once the trash has been picked up.
- Lastly, holiday lights and decorations are beautiful; however, if you are reading this and you still have holiday lights and/or decorations that have not been taken down, now is the time to put them away.

Thank you to all the Summerlin North residents for being considerate and courteous neighbors! ❤️

## Summerlin South Community Association

### SUMMERLIN SOUTH COMPLIANCE PROCEDURES

There are predominantly two documents that define the Community Wide Standards for Summerlin South. These are the *Supplemental Declaration of Covenants, Conditions, Restrictions and Reservation of Easements*, which contain the use restrictions, and the *Design Guidelines and Standards* that provide guidance to homeowners wishing to make improvements and modifications to the exterior of their homes or their landscaping. These documents are provided to each purchaser at the time they close escrow on their homes. In addition, some can be found online at [summerlink.com](http://summerlink.com). Click on the "Residents" button at the top, and then "Summerlin South Community Association."

In order to provide the due process *required under Nevada Law*, if a violation of the Summerlin South Governing Documents is suspected, the steps available to the association to achieve resolution are:

- Friendly neighbor-to-neighbor contact which often will resolve the matter quickly and easily. If such contact is unproductive, deemed to be unwise, or inappropriate, then:
- Violations must be reported in writing. Visit [summerlink.com](http://summerlink.com), scroll to the very bottom and select "Contact Us," then "Community Complaint Form."
- If the violation is verified, a Courtesy Letter will be sent to the violator.
- If the violation is repeated or uncorrected within ten (10) days of receipt of the Courtesy Letter, a First Warning Letter is sent to the violator.
- If the violation is repeated or uncorrected 10 days after the mailing of the First Warning, the matter is referred to those Summerlin South residents who serve on the Compliance Committee.
- The Compliance Committee will schedule a hearing and invite the violator to attend and present his/her response.
- If the Compliance Committee is satisfied with the response, it may decide to drop the matter entirely.
- If the Compliance Committee is not satisfied with the

response, it may assess a monetary penalty as allowed pursuant to NRS 116.

- If the violator is assessed a monetary penalty, the decision may be appealed to the Board of Directors, whose decision is final.

# WATER CONSERVATION

Southern Nevada Water Authority

## A Five-Word Watering Rule Of Thumb For Green Thumbs

When it comes to landscape irrigation, you can help the community conserve water and prevent water waste—while saving money on your monthly bill—by following a simple five-word rule: Drip It, Don't Drown It.

Most residential landscapes in Southern Nevada feature a variety of drip-irrigated plants and trees. It's essential to recognize that plants and trees need much less water than grass to flourish. Knowing how much to "drip it" can help you avoid "drowning it."

You can determine how long to set your drip irrigation by identifying whether your drip emitters have a high- or a low-flow rate, based on gallons per hour (gph). A consistent flow or stream-like release of water means your emitters are high-flow, while a slow drip or a bead-like release of water drops indicates a low-flow emitter.

Once you've determined the flow rate of your emitters, follow these suggested watering times:

- High-flow emitter (up to 20 gph): 20-40 minutes or less
- Low-flow emitter (up to 4 gph): 30-90 minutes or less

Drip irrigation systems deliver water slowly and more efficiently, and they should run longer but less frequently than sprinkler systems used to irrigate grass. Water your drip-irrigated plants and trees in winter every seven to 14 days. Water grass in short cycles for no more than 12 minutes per watering day. Check your trees and plants monthly and adjust your drip irrigation as needed.

Don't forget, mandatory winter watering restrictions, which limit landscape watering to one assigned day per week, are in effect through February 29. Sunday watering is always prohibited.

For more information on drip irrigation watering, visit [snwa.com](http://snwa.com). ❤️
