Field Use Rules And Regulations

1. The Summerlin Council will be responsible for scheduling and permitting all Council field and athletic facilities in a manner that provides priority access to Summerlin community youth groups, residents and protection of fields from overuse. Historical use and league size will be considered in establishing priority between user groups. The Summerlin Council cannot guarantee the same field(s) each year based on user group requests or growth from year to year.

Submission of a field use application does not constitute approval. Approval is given according to the applicable policy, field availability, when all requirements have been met, and fees have been paid. The Council has exclusive discretion in decisions related to the scheduling of fields.
2. The Summerlin Council sports fields will be granted allocation for field use permits based on the following priority:
 - Activities conducted by The Summerlin Council
 - Summerlin non-profit recreational youth leagues with 100% Summerlin residency
 - Resident-sponsored non-profit youth organizations with a minimum of 75% Summerlin residency
 - Resident-sponsored commercial organizations/club teams with 100% Summerlin residency
 - Resident-sponsored commercial organizations/club teams with a minimum of 75% Summerlin residency
 - Resident-sponsored organizations/club teams with less than 75% Summerlin residency
3. Field reservations will be made on a two-cycle system. Cycle One is approximately February - June. Cycle Two is approximately Mid-September - November. Summerlin fields are typically closed for maintenance during the summer (June - Mid-September) and winter breaks (December and January). Requests for dates outside of field cycles are subject to the discretion of The Summerlin Council management and may be accommodated for additional fees.
4. All users' schedules are REQUIRED at least one (1) week prior to the start of the season to ensure that proper light schedules and field maintenance schedules may be implemented.
5. Users may not sub-lease their assigned fields and/or times to any other league or individual. Any date(s) not utilized by the permitted league(s) will revert back to The Summerlin Council for their use or reassignment.
6. No solicitation or outside vendors are permitted without the express written permission of The Summerlin Council management.
7. Baseball/Softball leagues shall maintain the infields to include lining and dragging. All organizations are responsible for the proper breakdown, storage, and disposal of equipment. Damaged equipment must not be left on fields. It is expected that the grounds, fields, and areas in/around/under bleachers will be left in a clean condition and free of litter after practices, as well as on game days.
8. All groups/organizations reserving a Summerlin Council field are required to have a \$1,000,000 general liability certificate of insurance naming The Summerlin North Community Association, The Summerlin South Community Association, The Summerlin West Community Association, Summerlin Centre Owners Association, The Summerlin Council and Howard Hughes Properties, Inc. and The Howard Hughes Company, LLC and any of their officers, agents and employees as additional insured.
9. No alcohol may be consumed or served on the premises.
10. All users should abide by and respect "No Parking" signage in and around the park.
11. The Summerlin Council Board of Directors reserves the right to revoke facility use privileges of any group/individual who does not comply with the Rules and Regulations or who abuses or damages the property.
12. Groups are encouraged to bring their Field Reservation Permit (provided by The Summerlin Council) with them on their reserved date(s). In the event of a conflict, the group holding a confirmed Reservation Card receives field priority.
13. Use of Council fields is allocated only for the dates indicated on the Field Reservation Contract. Prior use of a Council field does not ensure use in future field reservation cycles.
