COMMUNITY NEWS

By Scott Wingfield

Summerlin Council Park Use Permit Program

Summerlin Council parks have occasionally experienced individuals or organizations inviting extremely large groups of people to a park for “their” special activity. While the Summerlin Council certainly understands and appreciates the community spirit and intent in which these large gatherings or events were conceived, the reality is that such activities can quickly overwhelm certain parks and make it very difficult, if not impossible, for other residents to also enjoy the community amenity. Quite simply, each of our Summerlin Parks has its own design characteristics and proper capacity limitations; therefore, not all parks are well-suited for handling especially large crowds or special events.

Experience has shown us that these inappropriately sized gatherings in

smaller venues often lead to unsafe traffic patterns, unsafe parking and pedestrian conditions, highly inadequate levels of restroom facilities for all visitors, extreme trash and noise issues and highly justified frustration of fellow residents or park neighbors attempting to use the park for their own peaceful enjoyment.

To avoid this issue and the various challenges it can bring, please be reminded that The Summerlin Council has developed and adopted a park use permit program. Any group of more than 100 people is required to apply for and secure a Park Use Permit from The Summerlin Council to stage their activity in a Summerlin Park. We have found that this approach allows our park staff to better assist residents and

organizations by helping them align their large group with the appropriate size park for their specific gathering. In addition, this helps our park patrol/monitors better prepare for large gatherings of people in advance. I should also note that due to constant demand, not all large group activities can or will be accommodated. Our goal remains to try to make things a little better every day for our residents and, as always, your continued understanding and cooperation is greatly appreciated. COMMUNITY CONNECTION

Crime Prevention Specialist Randy Klenosky, LVMPD Summerlin Area Command

Leash Laws

Spring is coming, warmer weather, bluer skies, and more daylight to get outside and enjoy our amazing community! As we enjoy the outdoors with family and friends – both two and four legged, it is always important to be respectful of others who are doing the same. It is also important to understand laws are in place to govern our behavior in public. One topic that draws questions is: “Am I required to have my dog on a leash when taking him out for a walk?” The short answer is YES! In Clark County, dogs are required to always be on a leash when on public property. Las Vegas Municipal Code 7.36.030 makes it a misdemeanor to willfully take a dog in public without a leash.

This includes sidewalks, walking trails, parks, and playgrounds, as well as inside HOA communities, whether gated or not. An exception is in “Dog Park” areas specifically designed for dogs to enjoy and be off leash. The intent behind the leash law is to maintain a safe environment for all individuals and pets. Lastly, the law requires

Service Animals be under control of their handler by a leash, harness, or tether. Exceptions for service animals include when the handler’s disability prevents the use of a leash, harness, or tether. Or if a leash, harness, or tether interferes with the work the service animal must perform.

If you notice an animal off leash, avoid confrontation with the owner. Instead, bring the behavior to the attention of local authorities to address the situation accordingly. Stay Safe! 🍀

COMMUNITY DEVELOPER UPDATE

New Freestanding Emergency Room Opens, Construction On New House Of Worship Underway

Summerlin is celebrating the opening of a **new free-standing emergency department** and a **new house of worship** coming soon.

ER AT SOUTH SUMMERLIN

The ER at South Summerlin, an extension of Summerlin Hospital, located at 10290 W. Flamingo Road, opened for patient care on February 3. Open year-round, 24 hours daily, the ER at South Summerlin is staffed with the same types of medical personnel, including emergency medicine physicians, nurses and techs, and equipped with the same diagnostic technology available at the Summerlin Hospital's main emergency department. It is the first freestanding emergency department operated by Summerlin Hospital.

Diagnostic capabilities include an on-site laboratory, CT scanner and imaging equipment, along with multiple treatment rooms, exam rooms, a decontamination room

A ribbon-cutting for the new ER at South Summerlin was held on January 30. The full-service, 24-hour, freestanding Emergency Room owned and operated by Summerlin Hospital Medical Center opened to the community on February 3.

with shower and entrances for both walk-in patients and ambulance arrivals. The facility is equipped to treat children with full-service pediatric ER capabilities and personnel.

“We are looking forward to providing increased access to emergency care to friends and neighbors in south Summerlin and neighboring communities,” said Rob Freymuller, CEO of Summerlin Hospital and, by extension, the ER at South Summerlin. “While we anticipate many patients can be treated and released from the ER, residents can have peace of mind knowing they can be transferred to Summerlin Hospital for additional pediatric and adult medical needs, whether it’s advanced cardiac care or additional care in our Children’s Medical Center.”

LDS CHAPEL

The Church of Jesus Christ of Latter-day Saints recently broke ground on a new meetinghouse that will serve 1,000 of its members who reside in northwest Las Vegas. The chapel is located in Stonebridge village at 869 Crossbridge Drive. The building is expected to be complete by year-end. The chapel brings the number of houses of worship in Summerlin to 15, representing more than 12 different faiths.

“We are excited to have a meetinghouse in this area,” says Ian Yamane, President of the Red Rock Stake, the local leader of the three congregations that will use the facility. “This new building will be a blessing to all of our members who will utilize this building for Sunday worship and mid-week activities for all ages.” 🍀

Spring Into Smart Watering: Tips for the Season

Spring's arrival in Southern Nevada means it's time to help your landscape gear up for the warmer weather to come.

As temperatures increase and weather conditions allow, gradually increase your watering schedule—whether you use sprinklers for grass or drip irrigation for plants and trees. Grass can be watered up to three assigned days per week from March 1 through April 30, while plants and trees on drip need much less and should be watered no more than two days a week.

If you have grass, remember that sprinkler watering is prohibited on Sundays. Watering outside of your three assigned days in spring or allowing water to spray or run off your property can result in costly water waste fines. Find your assigned spring watering days at snwa.com.

Saving water and managing your monthly bills can be even easier if you follow these simple tips:

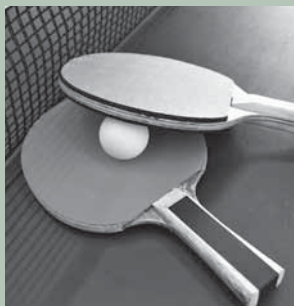

- Inspect your irrigation system and fix leaks promptly.
- Water grass for a recommended 12 minutes *total* on your assigned watering days [water three times for four minutes each].
- Don't water on windy days.
- If it rains, turn off your irrigation system.

In addition, you can earn a cash incentive while you save water by upgrading your thirsty grass to a drip-irrigated landscape through the Southern Nevada Water Authority's (SNWA) Water Smart Landscapes Rebate Program (WSL).

As part of the WSL program, the SNWA's Tree Enhancement Program pays new participants a bonus of \$100 for every new tree installed (up to 100 percent canopy coverage). Spring is the perfect time to make the switch! To apply for the WSL program and to get water-saving tips to help you maintain a healthy landscape, visit snwa.com. 🍀
