

EXHIBIT 2

LIVABLE & NON-LIVABLE SPACE EXTENSIONS AND STRUCTURES

Improvement requests for room additions, balconies, sun decks, patio enclosures/sunrooms, and casitas must include the following:

- **Site Plan:**
 - Identify the setbacks (distances) from edge or face of the improvement to the property lines.
 - Identify the structure dimensions.
- **Roof Plan:**
 - Identify the roof style and pitch.
 - Identify the roof color and materials.
- **Structure Elevations**
 - Side, front or rear elevations – identify height, width and depth of structure(s).
 - Structure materials, exterior colors, finishes, roof materials.

Example of Site Plan / Plot Plan
